Please read this cover letter before installing your software kit for BASEstar Open Client for Compaq OpenVMS Version 3.2.

Dear Customer,

Congratulations on having purchased the enclosed kit belonging to Compaq's BASEstar Open family of products. Depending on the exact Compaq part number ordered, your kit will be made up of the following components:

- License only for OpenVMS VAX
- License only for OpenVMS ALpha
- Documentation + Binaries on TK50 for OpenVMS VAX

Release Notes

You can print the release notes during installation. The release notes contain various information, including restrictions, incompatibilities and amendments to documentation. Refer to the *BASEstar Open Server Installation & Management Guide* for details of how to access and read release notes. Note that installation instructions for the BASEstar Open Client product on the OpenVMS platform are contained in the *BASEstar Open Server Installation & Management Guide.*
